Re: Radium King Mine
ACT/037/007

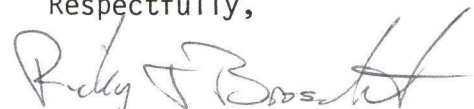

Dear Mr. Tetting:

I am writing in response to your June 7, 1982 letter concerning the review of the above referenced mine's file. While reviewing Atlas' file for this mine, I was unable to locate a copy of the Mining and Reclamation Contract which, according to your "Application History", was signed and executed March 22, 1977. Please send me a copy of said contract to complete my files.

As you requested, I've enclosed a copy of the 1980 annual operations and progress report for this mine. I've been unable to locate a copy of the 1977 annual report, however, I've enclosed a copy of the cover letter under which it was sent and a copy of the Division's acknowledgment that they received it.

This should complete the review of the Radium King Mine files, please contact me with any questions you may have.

Respectfully,

Ricky J. Broschat
